

# How to navigate in Asycuda World.

After logging into Asycuda World, you are taken to the home screen which part of it is shown on the left below:

**Title bar** – normally displays the username of the logged in user.

**Menu bar** – displays all the menus available:

- ✓  General finder – Finds anything in reference that you have access to
- ✓  On-line help
- ✓  Document library – Opens your document library when closed
- ✓  Asycuda World email—Opens the AW internal email
- ✓  Asycuda close/ exit button – Closes the AW client application
